

**Alabama
Urban Forestry
Association**

As a founding member of the Alabama Urban Forestry Association, **Michael L. Zarichnak** worked tirelessly to improve urban tree care and urban forest health throughout Alabama. To honor Mike, the AUFA has established a scholarship to fund annual conference tuition and hotel accommodations for a select number of deserving green industry workers or professionals, college students or recent graduates who have interest in pursuing a career in urban forestry, arboriculture, the tree care industry or a closely related field.

Michael L. Zarichnak AUFA Annual Conference Scholarship

TUSCUMBIA, ALABAMA**

AUFA's 2021 Annual Conference and Urban Forestry Education Week is October 11-15 in beautiful Orange Beach, Alabama! Scholarship applicants can submit a one-page letter describing their interest in attending and their plans to work in our urban forests. Letters should provide ample contact information and be emailed to:

colin.conner@hooveralabama.gov and
dale.dickens@forestry.alabama.gov
